I can do setup if we actually find some Chairs???

Also, to anyone who wants to Chair this event - I will make a good course for you if you so desire.

Thanks for the offer Joe, but you can't take course w/o the permission of whoever is chairing it.
When we get them I'll let them know.

I confirmed the Food Truck.
We can still use another Tech person in the morning. And of course, Event Chairs.

udontknowjack wrote on Thu, 10 July 2014 19:53 working afternoon gate waiver, when is a good time to walk the course?

Since you are working the afternoon gate during afternoon course walk time, the best time for you to walk is in the morning, unless there are two of you. Then you can split the work time and walk time.
