This frame alone sells for \$380.
For \$250. you get the new steel/powder coated frame with 3 spare legs,
other spare parts for older models,
plus some walls, bags, and other accessories,
plus a big box of fittings and hardware.
(going out of the e-z up business, clearance sale)

Must pick up in Belmont, hwy 101 and Harbor.

I will donate the spare legs, hardware and accessories to the SCCA, if someone wants to pick up.
Frame only, \$200.
