Here are my shots, unfortunately only of RG4, but most of that group. The big set is all of the at least semi-worthy pics

<https://www.flickr.com/photos/37099434@N02/albums/72157691237778423>

The second set is my faves which have been edited/cropped/whatever

<https://www.flickr.com/photos/37099434@N02/albums/72157678051535367>

Please enjoy, and post up a link to fB or wherever people hang out who might want to see them!
