300 hits and only 20 votes?

People, it is your Constitutional right to vote.

Do I need to get MTV to Smack your B**CH up with their Vote or Die Campaign?

Well, at least my talents are appreciated here!

I bought one of the first Lotus Esprits in 1977. Wanted to commemorate Mario's win at the Long Beach F1 race, and show the pronunciation of Esprit on my personalized plate.

So I applied at the local DMV for US PRIX

The little old lady at the counter recoiled in horror, and said "You can't have 'Us Pricks' on your license plate!

Application denied.

You should have changed your application to "U PRIX" and handed it back to her.
