Here's a great chance for those that missed driving at El Toro... and those that miss it already.

We prevailed through the long trek (no trailer), busted alternator, snow and rain for the SFR Divisional and it turned out to be a great experience. I can't guarantee any of those for ours, but it will be worth it. Come on down and let's have some fun!

Are there Contingencies for the Divisional? Yes:

Does this qualify you for National Championship eligibility? Yes:

If the courses will be anything like last year's, this is a can't miss event! Looking forward to it.

I'd like to go as last year my car limped through this event. We had major overheating issue which took away from the fun. El Toro is a great venue.

From the event details on MSR:

Plus Cash Awards!

The exact amounts of the cash awards are yet to be determined. Expect anywhere from \$50 - \$150 for a class win depending on levels of participation.

I'd like to run at El Toro again, but can't see getting the Mustang/tire trailer down there to run by myself in FS.

Maybe if I pick up a fun co-drive... :)

Just a reminder that early registration ends on June 12.

As many of you know, El Toro is one of the finest autox venues in the country. 3* and 4* hotels in the area are plentiful and cheap if purchased through Priceline. Go to BetterBidding.com for help in bidding. You should be able to get a great hotel for under \$50.

We'll have the usual Friday practice course and welcome party. We'll have a wonderful catering truck both Saturday and Sunday for your dining pleasure. Don't forget wonderful mid 70's weather.

Hoosier and Kumho have yet to sign on as contingency sponsors. However, I am in contact and haven't given up. If you are a Hoosier or Kumho driver, give them a call and request they climb on board. Every request helps.

Email any questions to me at wsj3200@gmail.com

Sign up soon. I'll see you there.

Leaving friday morning, not planning to do any test-n-tune laps. Plus it's been tough at the store so not taking anymore time off than necessary.

Then probably go at least half way home sunday night.

'sus, you might be a little lonely at Qualcomm...I believe the rest of the participants will be about 100 miles north of you. ;)

It would be fun to run with John again, as we both were in FS at SD and the Pro, but I can't see fitting the divisional in this year. I'm in Chicago until Friday night that week :(

Mike, Heyward not co-driving this time?

Jesus, that sounds like a good plan. If the Lew's are going, we will all be caravanning!

Hey Mike, fixed it, yes I will be kinda lonely if I go to Qualcomm...LOL

OK, so I'll probably still take I-5 to the 210, then go south on 57 back to I-5, to go around the traffic in Burbank/LA on I-5 which can get quite slow on friday afternoon.

Just a reminder that early registration ends on Sunday June 12. After that the price goes from \$80 to \$130.

This is a great opportunity to drive on a wonderful surface, compete for cash and tire contingencies, and have a great time here in So Cal. Come on down.
